

As a resident of the middletown area i constantly listen to KLove, I also listen to it when i go down to KY. i utilize it all up and down the Cin-Day corridor. To lose the stations due to this LPFM would be a crime. People are uplifted by the programming on KLove. There are thousands of people who put their faith into the programming there and also put money into the station to keep it on the air. Please don't kill FM Translator radio stations like Klove, there are many people who depend on Klove.
